

Flexe Job Aid - LPN Cycle Counts

How to complete cycle counts for LPNs.

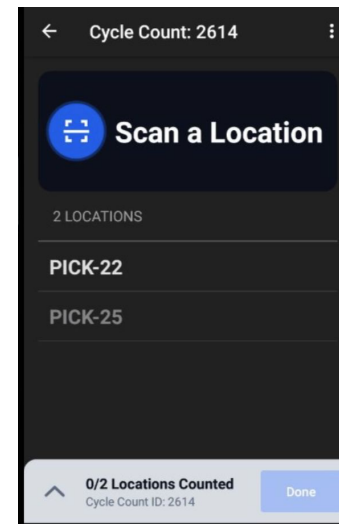

- 1** Select **Cycle Counts** from the home screen.

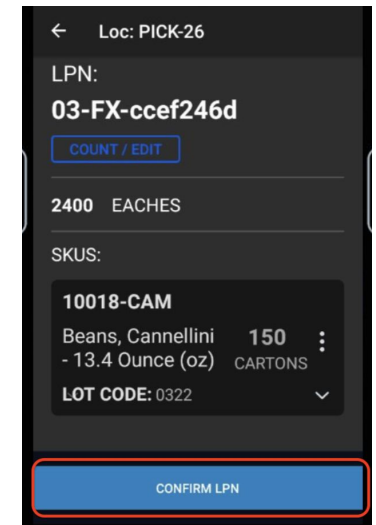

- 2** Select the count(s) you'll be working on.

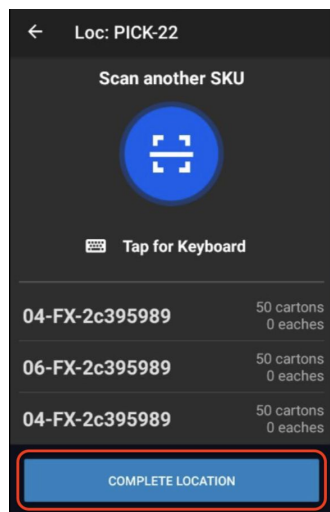

- 3** Scan a location shown onscreen.

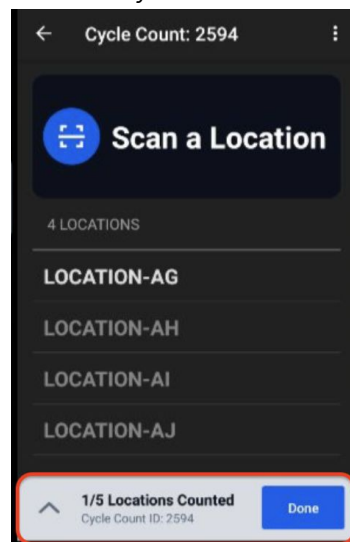

- 4** Scan an **LPN**, review it then select **Confirm LPN**.

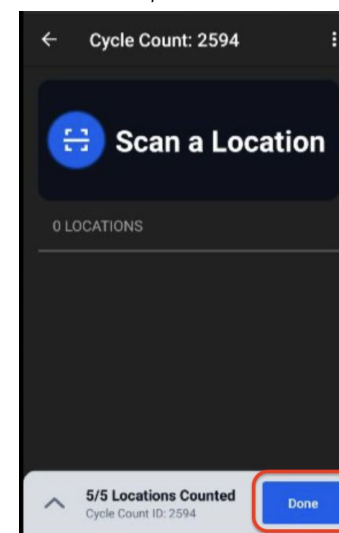

- 5** Scan all LPNs, then select **Complete Location**.

- 6** Repeat for all locations in the cycle count.

- 7** Once all locations are counted, select **Done**.

- 8** Select **Submit Progress**.
